RE: CONFIRMATION of BOC-3 Filing / Designation of Process Agents

**The BOC-3 filing for the above authority has been submitted to the Federal Motor Carrier Safety Administration (FMCSA). A copy of that filing is attached to this email. Please print and keep for your records.**

Subscription to our service grants permission to use our list of process agents for the express purpose of obtaining authority with the Federal Motor Carrier Safety Administration. Any other use of our process agents is strictly forbidden (i.e.: State Statutory Corporate Registered Agents).

Due to FMCSA requirements, **we must be kept informed of any changes** to the authority name and/or address. Failure to do so releases us from any liability in connection with service of papers and we must delete this company from our Process Agent client listing. There is a \$35 fee for processing an updated BOC-3 filing for a name and/or address change. Please [download change form](#) now and keep in your records for future use.

You may check the status of this authority and the FMCSA required filings (BOC-3 and Insurance) by accessing the FMCSA web site at <http://li-public.fmcsa.dot.gov> or calling the FMCSA directly at 202-385-2423.

Thank you for choosing our service.
